NAAC Re-Accredited with 'B' Grade

5.2.2.1: Number of students qualifying in state/ national/ international level examinations year wise during last five years (eg: IIT/JAM/NET/SLET/GATE/GMAT/GPAT/CLAT/CAT/ GRE/TOEFL/ IELTS/Civil Services/State government examinations etc.)

In our college, our U. G. students are economically poor students and they are coming from rural areas. Most of the students studied in Telugu medium up to their intermediate education. Our lecturers are giving encouragement to the students for preparing PG exams, State government examinations, IIT, GATE, Civil Services etc. However due to rural back ground of our students, they are giving preference to study PG, B.Ed., T.T.C etc., So our students are not qualifying in National competitive exams like IIT, GATE, Civil Services etc.
